Regulations governing Nomination of Master's Comprehensive Examination Committee (CEC):

1. Master's CEC consists of a minimum of three faculty members for the University of California.

2. The Master's CEC members must hold the following academic ranks:
   a. Professor (any rank, regular series)
   b. Professor Emeritus, Associate Professor Emeritus
   c. Visiting Professor (any rank)
   d. Professor-in-Residence
   e. Adjunct Professor (any rank)
   f. Acting Professor (any rank)
   g. Lecturers who teach graduate courses

   Acting professors, adjunct professors, and lecturers who teach graduate courses may serve as regular members, but not as chairpersons.

3. The Master's CEC is appointed by the student and the Department Degree Completion Committee as follows:

   The student selects two of the CEC members, one of whom is the Chair. These two names are to be listed above. (One CEC member is from the student's graduate specialization area; the second is to be from the special interest or project area, and is either from the Department or outside the Department. The Chair of the CEC can be filled only by a ladder faculty of the Department.) The third CEC member is selected by the Degree Completion Committee.

4. Exceptions to these regulations should be presented by petition to the Department. Each will be considered on its own merits.

5. For MFA Candidates: One committee member must be selected from the MFA Faculty.
